Child Sponsorship

Becoming a Sponsor

By joining the Dare 2 Dream Sponsorship Program, you will be reaching out to a child in need living at Yuva Jyothi Children's Home, Nagpur, India.

Dare 2 Dream has assisted the ICID in rebuilding Yuva Jyothii Children's Home — a home for orphaned and abandoned children. Yuva Jyothi translates to 'Light of Youth' in Hindi.

Our Vision

Dare 2 Dream's vision is to make the dreams of a better future become a reality for disadvantaged children and adults.

Our Mission

Our mission is to empower underprivileged communities in the developing world and in Australia with knowledge, skills and resources to improve quality of life.

About Us

Dare 2 Dream is a South Australian not-for-profit organisation.

Whilst Dare 2 Dream was officially founded in 2011, the organisation has been assisting projects and programs to aid the most underprivileged children and adults in India for over five years.

In 2007 Dare 2 Dream began supporting the Indian Centre for Integrated Development (ICID) based in Nagpur, in the central state of Maharashtra, India.

Through empowering communities with knowledge, skills and resources, and particularly through the support of self-help projects and programs, Dare 2 Dream aims to assist globally, and locally, in achieving sustainable improvements in quality of life for disadvantaged children and adults.

How Does My Sponsorship Benefit My Child?

As a child sponsor, the difference you'll make means more than you think. You'll help to create lasting change in children's lives. Your sponsorship will support your child's monthly expenses, helping to meet basic needs such as housing, medical, clothing and education.

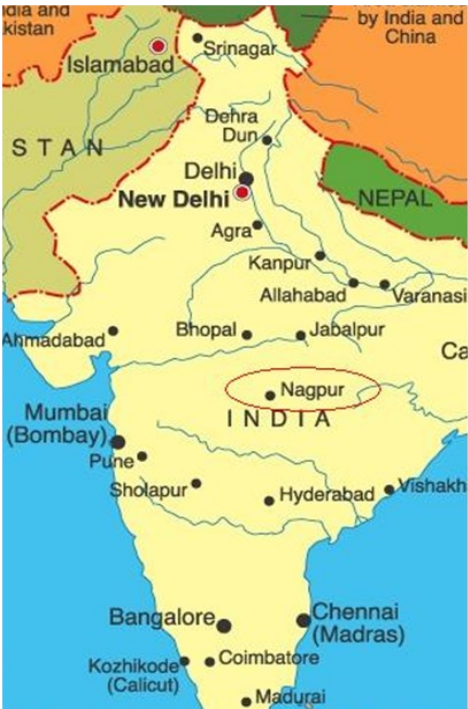

Your Sponsorship

- When you become a sponsor, you will be pledging a monthly donation of \$20.
- We require a one-year commitment, and sponsorship can automatically renew at the end of the year if you wish.
- Payments can be made monthly or annually, by credit card, direct debit or cheque.
- Multiple sponsorship donations are combined to help in supporting all of the children living at Yuva Jyothi Children's Home.

Updates

Sponsors typically receive two progress reports about their child each year from the Dare 2 Dream Sponsorship Program. In most cases, we are able to include photos with the updates. In addition, the children will send personalised handmade cards and drawings throughout the year.

there are over 25 million orphans in India.
